

## Lost or Stolen Cards

You are responsible for safeguarding your Crimson Card. Lost or stolen cards must be reported to Campus Safety or Crimson Card Office immediately so that your card can be deactivated.

Once your card is deactivated, your Crimson Cash funds are “frozen” in order to prevent them from being used if someone else has your card.

If you recover your card, notify the Crimson Card office in order to have your Crimson Cash funds “unfrozen.”

If you have to order a replacement Crimson Card, any existing funds will be transferred to the new card and will be available immediately.

View the Terms & Conditions for using your Crimson Cash Account on myGCC on the Crimson Cash Portlet.
