Services are announced weekly in *The Collegian* and on the Chapel website. A chapel attendance in question must be addressed within two weeks of that date.

All are invited to arrive early for personal devotions, private meditation or to worship in song with the Chapel Worship Team at 9 a.m. Please do not bring beverages into the Chapel, and turn off all electronic devices.

Freshmen will report to Crawford Auditorium from Thurs., Aug. 30, through Tues., Oct. 16.

ATTENDANCE

The Chapel Program is designed to support the spiritual formation of Grove City students. Through chapel services, we strive to enhance our Christ-centered living and learning community and encourage students to grow deeper in their relationship with Jesus Christ. It is our prayer that through rich teaching, personal testimonies, and corporate worship Grove City College students will grow in grace and this knowledge of God's will.

Semester attendance requirements:

1. Full-time students (12 or more credits): 16 chapels.
2. Students enrolled at least half-time but less than full-time (six to 11 credits): eight chapels.
3. Students enrolled less than half time (five or fewer credits): not required to attend.

Enrollment status will be determined for each student at the conclusion of the course drop/add week. Withdrawing from courses after that date will not affect the number of chapels required during a semester. A student enrolled as an undergraduate beyond the four-year degree period must attend chapel within the requirements listed above. Semester requirements not fulfilled must be made up.

A student with ten or more chapel requirements on or after his/her class's registration date will not be permitted to register for the next semester or obtain transcripts until the requirement is met. Transcripts will be held for students who withdraw or transfer from the College with ten or more unfulfilled chapels. Any student who has not fulfilled the chapel attendance requirement by graduation will not be certified as a graduate until the requirement has been satisfied. Students with more than six chapel requirements will not be permitted to participate in the College's Commencement ceremony.

Our firm hope is that this program will be viewed by students less as an obligation and more as an opportunity to be better equipped for the service of Christ and his Kingdom.
